Eckville & District 4-H Beef

SALE

54 Steers available

CANADA
4-H Alberta

for individual sale at set price

We are in an unprecedented time and we have had to find a new way to market our finished 4-H Market Beef Projects. Our Show & Sale was originally scheduled to be held on Wednesday, June 3, but due to reasons beyond our control we have been forced to cancel our event. **After researching our best options we have made the decision to privately sell our steers at the set rail price of \$3.50/lb. Rail weights are approximately 60% of live weights. The equivalent live weight price would be about \$2.10/lb - which is significantly lower than our normal sale price average. Actual sale price will be based on the hanging carcass weight at the butcher in June and you will be invoiced with this information.** Not interested in a full beef yourself? Go together with a friend or neighbour and speak for a half or quarter each.

We have confirmed spots at local butchers for all of our steers.

To make a purchase or if you have any questions, please contact one of our sales committee members or an individual club leader:
